STOCKPILE ANNOUNCES FERROCHROMIUM CHANGE

Fort Belvoir, VA – Based on current market conditions, the Defense National Stockpile Center (DNSC) today announced the quantity of low carbon ferrochromium offered for sale under the Basic Ordering Agreement (BOA) sales format will now vary from 0 to 3,000 ST per month.

The quantity of high carbon ferrochromium offered for sale under the BOA will vary from 0 to 10,000 ST per month.

Depending on market conditions, the schedule and quantities are subject to change.
